v.

Civil Action No. 4:19-CV-00414-A

Transport Workers Union of
America, AFL-CIO, International
Association of Machinists and
Aerospace Workers, and Airline
Mechanic and Related Employee
Association TWU/IAM,

Defendants.

DECLARATION OF TIMOTHY KLIMA

Timothy Klima hereby declares, pursuant to 28 U.S.C. § 1746, as follows:

1. I am an adult resident of the State of Washington. I am employed by the International Association of Machinists and Aerospace Workers, AFL-CIO ("IAM"), where I currently serve as Airline Coordinator for IAM's Transportation Department. My responsibilities include oversight of the collective bargaining activities conducted by our intermediate level District Lodges and their affiliated locals. I report to IAM General Vice President Sito Pantoja and his Chief of Staff. I am assigned the negotiations between the Airline Mechanic and Related Employee Association TWU/IAM (the "Association") and American Airlines. I make this Declaration based on my personal knowledge and the records of IAM and the Association.
2. I submit this Declaration pursuant to the Court's Order of July 10, 2019 (ECF No. 111) to update the Court on steps taken by IAM and the Association toward compliance with the

requirements of that Order since July 16, 2019, the date that Mr. Pantoja signed his first declaration. (ECF No. 117, Tab A).

In-Person Group Meetings – Mechanics (July 10 Order Paragraph (a)).

3. IAM completed all of the in-person group meetings with the RON (overnight) shift mechanics for locations at which IAM is the designated representative and were described in Mr. Pantoja's Declaration.

In-Person Group Meetings – Union Officials (July 10 Order paragraph (b)).

4. As required by Paragraph (b) of the July 10 Order, IAM has continued to hold in-person group meetings with IAM union officials, including: (1) Local Leadership, (2) Local e-board members, (3) shop stewards, and (4) grievance committee members at all stations where those meetings had not been completed by the time Mr. Pantoja's Declaration was filed.

5. Senior IAM representative speakers at these in-person meetings were directed to, and have reported that they did, convey the information set forth in paragraph 5 to Mr. Pantoja's Declaration. (ECF No. 117, Tab A at 3-4, ¶ 5).

6. It has also been reported to me that American Airlines' management was allowed to attend each of these in-person meetings and, attended many, although not all, of them.

7. The chart below updates the information set forth in Mr. Pantoja's Declaration to show the current status of these meetings. All have been completed except for one, which is scheduled to be held in Seattle on July 22, 2019.

Station	Senior IAM Representative Conducting Meeting	Date
ATL 2665	Tom Regan	07/12/19 and 07/18/19
BOS 1726	John Werkmeister	07/15/19 and 07/16/19

TPA 2319	Tom Regan	07/15/19

8. Sign in sheets from these meetings are attached as Exhibit 1. Employee numbers have been redacted from these sheets.

Phone Calls (July 10 Order Paragraph (c)).

9. Paragraph (c) of the July 10 Order requires senior IAM leaders to make phone calls to IAM members who did not attend the in-person meetings described above. IAM and the Association are in the process of determining who those members are and how to contact them telephonically. I understand that counsel for American Airlines has committed to work with IAM

to make phone numbers available; once the phone numbers are available, IAM and the Association will make the required calls.

10. Paragraph (c) of the July 10 Order requires senior IAM leaders to make phone calls to IAM officials who were unable to attend the in-person meetings described above. IAM does have phone numbers for these individuals, and most, although not all, of those phone calls have now been made.

Posting Orders on Dedicated Webpage and Bulletin Boards (July 10 Order Paragraph (d)).

11. The TRO and the July 10 Order remain posted to dedicated webpages connected to the Association website as well as the IAM District Lodge 142 website, separate from all other union correspondence and, to my understanding, on dedicated bulletin boards or, where only one bulletin board exists, on a dedicated and unobstructed space on the bulletin board.

Posting of Video (July 10 Order Paragraph (e)).

12. On July 18, 2019, the Association posted videos of John Samuelson and Alex Garcia on the dedicated Association webpage containing the message required by Paragraph (e) of the July 10 Order, alongside the video from Sito Pantoja. Exhibit 2 shows screenshots of those postings.

Acknowledgement Forms (July 10 Order Paragraph (f)).

13. Paragraph (f) of the July 10 Order requires that “Each of Defendants’ members shall sign and date an acknowledgement form stating that they have read and understand their obligation to comply with the modified Temporary Restraining Order upon risk of being disciplined or fined by Defendants and American.”

14. I understand that following the Court’s July 16 Order (ECF No. 116), counsel has requested that American allow the Union Defendants access, either directly or through a vendor,

to use the work email addresses of mechanics to immediately distribute the required acknowledgment forms. As of this date, American has not agreed to that request. Accordingly, IAM and the Association intend, among other steps, to have union representatives meet with employees at their respective stations and provide them with acknowledgment forms for signature. We plan to begin these meetings the week of July 22, 2019.

15. Issuance of Notice (July 10 Order Paragraph (g)).

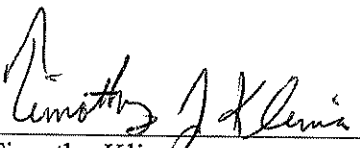

16. The Notice required by Paragraph (g) of the July 10 Order remains posted on the Association website and IAM District Lodge 142 website.

17. Further, on July 16, 2019, District Lodge 142 sent the Notice via email to the members who signed up for emails. Exhibit 3 shows how recipients received that email.

Overnight Productivity Levels (July 10 Order Paragraph (h)).

18. IAM and the Association are complying with this section through the actions described in the above paragraphs, and Mr. Pantoja's Declaration. It has been reported to me that IAM representatives continued to directly ask American's local management following in-person meetings whether there are particular issues at their stations that IAM and the Association could address. To my knowledge, American's local management have not provided information in response to these inquiries.

I declare under penalty of perjury that the foregoing is true and correct. Executed on this
19th day of July 2019.

The Association.

THE TWU-IAM ASSOCIATION

This notice for for all mechanic and related members at American Airlines:

On July 10, 2019, the U.S. District Court for the Northern District of Texas issued an Order modifying the terms of the existing Temporary Restraining Order. The following statement from the Association's most senior Union leaders, including Sito Pantoja, Alex Garcia, and John Samuelson, is made pursuant to that July 10 Order:

Despite the Temporary Restraining (TRO) issued by the United States District Court for the Northern District of Texas on June 14, 2019, the disruption from the status quo - as measured by AOS at 0700, high daily open MELs, and low nightly accomplishment yields - has continued, and even worsened.

We therefore notify you, in no uncertain terms, that:

Any actions by mechanic and related employees that are designed or intended to harm or slow down American's operations is a violation of the Court's TRO and the Railway Labor Act.

You **MUST** resume normal working schedules and practices.

You **MUST NOT** engage in any concerted refusal to perform normal operations.

Any individual employee represented by the Association who is found to have:

- * Refused to accept overtime or field trip requests as they would in the normal course;
- * Failed to complete maintenance repairs as they would in the normal course;
- * Slowed down in the performance of their job duties; or
- * Taken any other action intended to cause aircraft to be out of service outside of the normal course (including specifically aircraft out of service at 7:00 a.m.) or otherwise

cause flight delays or cancellations or interfere with American's operations;

WILL face discipline and fines from the Association, TWU and/or IAM.

3. Defendants have taken the following steps toward compliance with the provisions of the Modifications to June 14, 2019 Temporary Restraining Order, issued on July 10, 2019:

In-Person Group Meetings (July 10 Order Paragraph (a)).

a. Meetings with senior TWU leaders pursuant to paragraph a of the Modified TRO have taken place with aircraft mechanics on the RON shift at the following Line Maintenance Stations on the dates indicated: **TUL** (July 16, 2019, TWU International Vice President Danker present), **SAN** (July 16, 2019, TWU International Administrative Vice President Mayes, TWU International Executive Vice President Garcia, and TWU International Vice President Sutton present), **DFW** (July 17, 2019, TWU International Vice President Peterson present), **SFO** (July 17, 2019, International Administrative Vice President Mayes, International Executive Vice President Garcia, and TWU International Vice President Andre Sutton present); **DEN** (July 18, 2019, TWU International Vice President Peterson present), **SEA**, (July 18, 2019, TWU International Vice President Sutton present); **BOS** (July 19, 2019, TWU International Administrative Vice President Mayes present).

- viii. STL – July 28, 2019 at 10:00 p.m.
- ix. ORD – July 29, 2019 at 10:00 p.m.
- x. SJU – July 30, 2019 at 10:00 p.m.
- xi. FLL – scheduling in process

A list of those aircraft mechanics who were in attendance at the meetings conducted from July 16 to July 19, 2019 are attached as composite Exhibit 1. A summary of what TWU leaders said at the meetings was previously filed with the court.

The July 10 Order allowed American Airlines' management to attend each of these in-person meetings, and to my understanding, management did attend these in-person meetings, which were all held at American Airlines' facilities.

In-person Group Meetings – Union Officials (July 10 Order paragraph (b)).

b. Since the filing of my last Declaration, group meetings with senior Union leaders pursuant to paragraph b of the Modified TRO have taken place or are scheduled to take place at the following locations and approximate times:

- i. DFW – July 17, 2019 at 2:30 p.m.
- ii. SFO – July 17, 2019 at 6:00 p.m.
- iii. LGA – July 23, 2019 at 7:00 a.m.
- iv. ORD – July 29, 2019 at 1:00 p.m.
- v. MIA – Aug 1, 2019 at 3:00 p.m.

The TWU Union officials who were in attendance at the meeting held at **DFW** on July 17, 2019: Peterson, Steve Halter, Southwest Region Vice President of TWU Local 591, Mark

Erler Southwest Region Chairperson of TWU Local 591, Tom Olsen Southwest Region DFW Station Chairperson of TWU Local 591, Shawn Kelly Southwest Region DFW Title 1 Section Chairperson of TWU Local 591 and TWU Local 591 Shop Stewards Andy Littel, Andrew Stankiewics, Johnnie Benyard, Gary Hackett.

The Union officials who were in attendance at the meeting held at **SFO** on July 17, 2019: Mayes, West Region SFO Station Chairperson of TWU Local 591 Jim Curcuro, TWU Local 591 Shop Steward Aarron Maddox, IAM Shop Stewards Terrell Thomas and Stanley Nerek.

A summary of what the TWU leaders said at the meetings was previously filed with the court.

The July 10 Order allowed American Airlines' management to attend each of these in-person meetings, and to my understanding, management did attend these in-person meetings, which were all held at American Airlines' facilities.

Phone Calls (July 10 Order Paragraph (c)).

c. Once the employees on the RON shifts who were unable to attend the meetings held pursuant to paragraph a of the Modified TRO are identified, and American Airlines provides TWU International with their phone numbers on file, TWU will begin the process of calling aircraft mechanics as required by paragraph c of the Modified TRO. TWU Leadership has already started the process of calling Local TWU representatives who were unable to attend the union-leader meetings, and continues to do so on an on-going basis.

Posting of Video (July 10 Order Paragraph (e)).

d. On July 17, 2019, a video of TWU International President John Samuelson communicating the message required by Paragraph e of the July 10 Order was posted or linked on the same dedicated webpages.

Acknowledgement Forms (July 10 Order Paragraph (f)).

e. Paragraph (f) of the July 10 Order requires that “Each of Defendants’ members shall sign and date an acknowledgement form stating that they have read and understand their obligation to comply with the modified Temporary Restraining Order upon risk of being disciplined or fined by Defendants and American.” The Association represents over 10,000 aircraft mechanic and related employees at American and does not have an efficient means to either distribute such forms individually to every employee or to ensure that they are returned. I understand that counsel has requested that American provide access to its email distribution list of aircraft mechanics so Defendants can distribute such forms and is awaiting American Airlines’ response. Defendants are also exploring other methods to take this step unilaterally, including having union representatives meet with employees at their respective stations and provide them with acknowledgement forms for signature.

Overnight Productivity Levels (July 10 Order Paragraph (h)).

f. Paragraph (h) of the Modified TRO requires Defendants to “take all reasonable actions, including but not limited to communications to their members, to ensure that their members working at American’s line maintenance stations, within seven days of entry of the modified Temporary Restraining Order, achieve approximately, in the aggregate, on a 7-day moving average basis, overnight productivity levels equal to the aggregate status quo overnight productivity levels achieved in the summer of 2018 of 77.5%.” TWU is complying with this section through the communications and in-person meetings as described and outlined in the above paragraphs.

I DECLARE under penalty of perjury under the laws of the United States that the foregoing statements are true and correct.

Executed this ____ day of July, 2019 at Tarrant County, Texas.
